

## Participants are needed for research into Disability and Skills.

I am Abby Moses, and I am a Disabled Researcher. I work at Durham University. My email address is [abigail.moses@durham.ac.uk](mailto:abigail.moses@durham.ac.uk)

This study is about what skills Disabled People have. You will be asked about your life story and how you have developed your skills.

You will have an interview on a Zoom call with Abby. The interview will take 90 minutes. You will get a £15 gift card for taking part.

You must give your consent to do the interview. You can withdraw your consent at any time.

We will be talking about your feelings and disability. You may feel anxious or sad afterwards. Abby can suggest services you can talk to after the interview.

You can take breaks or leave the interview at any time. Abby will stop the interview if you look uncomfortable.

If you have any questions about the interview, please speak to Abby. Thank you for reading.
